DISPATCH NO. MCL-A-4182

CLASSIFICATION

TO : Chief, Foreign Division E

DATE: 19 December 1950

FROM : Chief of Station, Karlsruhe *c/81*

SUBJECT: GENERAL.

SPECIFIC: Defense of Western Europe

1. Several months ago, HORN produced the attached study, which has, in German and English texts, probably received rather wide dissemination. McCloy from us received a copy of this study just prior to the dinner at which HORN was present. At the same time, a copy was forwarded to Karlsruhe for delivery to General Taylor.

2. We are forwarding two copies to FDM in the assumption that it may be of some use to them. Incidentally, O'Donnell's article in The Saturday Evening Post on German remilitarization, in which he describes a long evening with General SPEIDEL, contains a good deal of material which has a marked resemblance to parts of the attached document.
